MENLO PARK NEWS

Mrs. Mabel Coughlin passed away in San Francisco last Saturday morning and was buried in Holy Cross Cemetery, Menlo Park, Monday. She is survived by her husband, Joseph Coughlin, connected with the Bank of America; by a son and daughter, the latter the wife of Attorney Griffin of Merced; two brothers, Harry and William Solen, and a sister, Mrs. Eva Ward, wife of Judge Ward of San Francisco.

Mrs. Coughlin was born in Redwood City while her father was a deputy sheriff. She was a niece of Mrs. E. F. Fitzpatrick of Redwood City. All old-timers will recall the Solen family that resided in this vicinity for a number of years and was highly respected. One of the daughters was the first assistant postmistress at Palo Alto Postoffice when the office was established there in the late eighties. The first postmaster was a woman, the late Mrs. John Monahan, a grandmother of Mrs. Coughlin. She died some years ago in Redwood City after spending most of her life on Santa Cruz avenue.

Mr. and Mrs. Charles Gregory of Oakland, on Sunday last, had a house-warming, having moved into their new home. Many relatives and friends from Menlo Park attended the affair. The occasion was also the observance of the birthday anniversaries of Thomas Harrington and Miss Mary Roach, father and niece of Mrs. Gregory, the former Loretta Harrington. A supper in the evening was attended by 50 friends of the host and hostess.

The local parlor of Native Daughters of the Golden West enjoyed a Christmas tree party Tuesday evening. Carols were sung, games played and gifts exchanged, the program ending with a delectable supper. The parlor plans many social affairs during the approaching year. Among those present were Deputy Grand President Martha Bernasque and other members of Bonita Parlor in Redwood City. Louise Murray presided. All agree that it was a very enjoyable occasion.

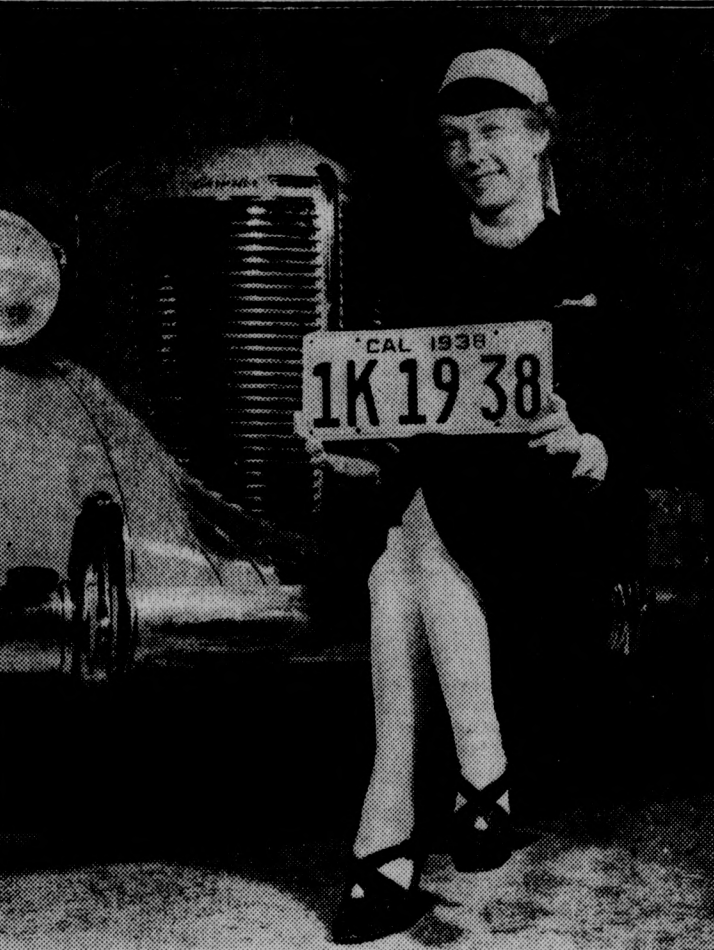

Mr. Patrick Gagen, brother of Dennis Gagen, passed away in San Francisco last week. He was a pioneer San Franciscan. Dennis Gagen has been superintendent of the Flood estate in Menlo Park for many years.

Mr. and Mrs. Warren Natwick, nee Harrington, are spending the month in Menlo Park. Mr. Natwick is assistant superintendent of the city grammar schools of San Mateo.

Andrew Matson, former resident of Menlo Park, passed away at San Carlos this week. For many years he was employed by Mayor Asa Hull. Mr. Matson was well known in Menlo Park.

The Sunday school children of the Church of the Nativity enjoyed a Christmas tree in the hall of the Nativity Monday after-

NEW AUTO LICENSE PLATES

The 1938 license plates make their bow! The color scheme for the coming year will be changed from the usual orange and black combination. The 1938 licenses will carry black numerals on a yellow background while the California will appear at the top in abbreviated form, as shown above. The car is a 1938 Chrysler Royal from the showrooms of Dearborn Motor Sales, Chrysler-Plymouth dealer here.

L. A. Heiner, county right-of-way agent, estimates that it would cost nearly \$300,000 to acquire the land necessary for the proposed Coyote Point recreation area, near Burlingame, according to a report filed Monday with Planning Advisor Ronald Campbell.

Under provisional plans of the joint city and county planning commissions, the area would be developed as a county project. Heiner was retained by the county planning commission to learn land prices. His report will be considered at the next meeting of the county commission.

Included in the estimated total of \$298,925 is \$100,000 for the San Mateo Municipal Golf Course. Heiner reports that the city has an option to purchase the land for \$65,000, and would ask \$35,000 for the improvements.

Heiner said that he did not know who owned all of the parcels included in the proposed recreation area, and that many of the figures were merely estimates on his part. He warned that the figures were not to be considered as appraisals.

He divided the area into nine parcels, as follows:
1. Owned by William H. Howard, offered for \$65,000.
2. Burlingame Investment Company, \$40,000, estimated.
3. Golf course, \$100,000.
4. Bowie Estate and others, \$75,000 offered.
5. First National Bank, Oakland, \$12,000, estimated.
6. Howard, offered for \$9000.
7. Owner unknown, estimated value \$6000.
8. Bowie Estate, \$6000, estimated.
9. Bowie Estate, 995-foot frontage on Bayshore highway at \$15 per front foot, \$14,925.

Tree Contest Entries Taken

With outdoor Christmas trees daily lighted each night and colorful house and shrub decorations adding to the effect, Redwood City homes today prepared to welcome the yule season.

Those who pass through the residential areas during the evening are treated to a brilliant spectacle as more and more of the gardens feature illuminated and decorated outdoor trees.

All of these are eligible for entry into the Eighth Annual Outdoor Christmas Tree Contest, conducted by the Redwood City Lions' Club, for which entry blanks are being published daily in The Tribune until deadline time at midnight, December 28, by when all entries must be in the mail, addressed to the Christmas Tree Contest Editor, Redwood City Tribune.

Entries this year already are reaching the newspaper office daily and in number are ahead of last year.

Most popular divisions are for the house and shrub decorations and large outdoor tree (over six feet) classes. The first award in the house and shrub competition will be \$7.50 or a trophy, with a second prize of an electric heater. The best large outdoor tree will win \$5.

Dr. August J. Fromm, chairman, today reminded possible entrants that they may compete in as many of the four classes as they wish, including the small outdoor tree (under six feet) and original window decorations classes. A first prize of \$5 is being given for the best small tree and \$2.50 for the best window showing.

Judging will take place late in the week preceding New Year's Eve at a time to be announced definitely later.

COFFEE HEIRESS SUES

Mrs. Elena Folger McNear of Hillsborough, daughter of the late Ernest R. Folger, founder of the Folger Coffee Company, today filed suit for divorce from Cyril McNear, wealthy San Francisco oil man. McNear filed an answer and the case will be argued at 10 a.m. tomorrow.

80-Bed Extension Urged for Hospital

PALO ALTO, Dec. 21.—Declaring that "the present plant of the Palo Alto Hospital is now being taxed to the utmost of its 80-bed capacity, even though no epidemic condition exists," the special hospital committee last night recommended to the city council that action be taken "at once" to enlarge the institution "by adding a wing of approximately 80-bed capacity; that the construction be financed by a bond issue in the amount of \$175,000, the bond maturing serially in 35 years; that new furnishings and equipment be installed as required, using the hospital reserve and surplus for this purpose and the city attorney be instructed to prepare the necessary procedure for consideration at the regular meeting of the council on January 10."

The speaker has been the presiding officer in the British house of commons since 1377.

Health Head Urges
Disinfecting of Wells

Dr. Charles C. Gans, county health director, has issued instructions for disinfecting wells flooded in the recent storms. Until the flooded wells are cleaned, he recommended that all drinking water be boiled.

There are four steps in the well-cleaning process, Dr. Gans said: (1) pump out the well until the water is clear, flushing all pipe lines; (2) add one can (12 ounces) of chlorine of lime; (3) allow the well to stand idle 24 hours; (4) pump out again until odor and taste of chlorine disappear.

Beware Coughs
from common colds
That Hang On

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Mystery Gun
Found Here

Redwood City police today were seeking the explanation behind a mystery gun found late Saturday in a creek bed off James avenue near El Camino Real.

Chief of Police C. L. Collins doubted if it could have been connected with the sensational Justin Leroy Harris murder case which was committed five years ago some 200 yards away from where the gun was found.

At that time, Harris, an Illinois minister's son, apparently worried by finances, killed his wife, Byrtle Adele, left her body in a Redwood City cottage, fled to a hotel in San Francisco and there committed suicide 10 days later, Chief Collins recalled.

However, since Harris used the same gun with which he killed himself, tests showed, Chief Collins declared it was impossible that the 32 automatic was the death weapon. The mystery gun contained five unexploded cartridges, with a sixth that had been discharged. The pistol was rusted, and had apparently lain in the creek bottom for many years.

DEPUTY'S MOTHER PASSES
Mrs. Elizabeth Ellen Williams, mother of Deputy Sheriff Hugh Williams, died in San Francisco on Monday. She was 93. Surviving are three sons, William, Joseph and John Williams, and a daughter, Mrs. Margaret Bowen. Funeral arrangements were being made today.

N. F. O. Club
Names Officers

New officers of the North Fair Oaks Improvement Club elected last week are Thomas Aldridge, president; F. A. Pohlman, vice president; Josephine De Lacy, secretary; Mrs. A. E. Esterberg, treasurer; Arthur Teague, sergeant-at-arms; Mr. and Mrs. Charles Meinert, Mrs. Louise Tucker and Charles De Lacy, trustees.

At their meeting, club members witnessed an interesting and instructive demonstration staged by Fire Chief Thomas Cuff of Menlo Park and eight of his firemen. They demonstrated not only methods of combating fire, but rescue and resuscitation methods. Chief Cuff urged that the fire department be called immediately not only in cases of fire but for drownings or other accidents.

Purpose Told Of R. O. T. C.

Having reopened the subject of establishing a Reserve Officers Training Corps unit at Sequoia High School, American Legion leaders today urged citizens of Redwood City to be considering the question between now and the next regular meeting of the Sequoia trustees, when it will be brought up again.

Speaking for the veterans, Floyd Granger emphasized the fact that the Legion was not attempting to force establishment of a unit in the high school, but wanted consideration of the board given to the proposal as one of the Legion's objectives for preservation of peace. In all events, the military training would be entirely optional, students being given their choice of taking the training or other form of physical education.

The Legion itself does not plan to bring up the question again until the next regular meeting of the school board, January 21, although the trustees have scheduled a special meeting December 29, Granger said.

Text of the resolution presented to the school board last Friday is as follows:

WHEREAS the establishment of R. O. T. C. units in high schools, wherever the size of the student body and the facilities permit, is in keeping with the policy of the state and nation and is in accord with the program of the American Legion, and

WHEREAS the R. O. T. C. is not only a sane and sensible part of the nation's conservative program for national defense, but also provides for those enrolled therein a better opportunity for building sound minds, sound bodies, and sound ideals of citizenship, as well as other advantages; and

WHEREAS there are many parents of this community who desire their sons to have the opportunities provided by the R. O. T. C., and

WHEREAS there is every facility and reason for the immediate establishment and future maintenance of an R. O. T. C. unit at Sequoia Union High School, but nothing has as yet been accomplished toward the establishment of such unit, notwithstanding the long continued efforts of this and other patriotic bodies;

Now, therefore, be it

RESOLVED by Redwood City Post No. 105, the American Legion, Department of California, that it again recommend and urge the immediate establishment and future maintenance of a unit of the R. O. T. C. at Sequoia Union High School; and be it further

RESOLVED that a copy of this resolution be sent to each member of the board of trustees having jurisdiction of said high school.

The resolution bears endorsement of Belmont, Menlo Park and Belle Haven legion posts, all located within the Sequoia high school district, Granger said.

SEWAGE SURVEY FOR SOUTH END URGED BY BOARD

James Explains Need For Disposal Plant In 5 Districts

Need of a survey of the sewage disposal problem in the south county area was stressed by Supervisor James S. James at the board meeting Tuesday.

There are five separate sanitary districts in the area from Redwood City south, he pointed out, which do not conform with drainage areas.

"Sooner or later," he warned, "some action must be taken to dispose of the sewage by a plant or plants. I believe that a preliminary survey should be undertaken at this time."

BIDS SOUGHT FOR WORK

James' statement came in response to a resolution from the Menlo Park Taxpayers' League, which recommended that the sewer survey be undertaken by the county engineer. The communication was referred for a report to County Engineer U. S. Marshall, who recommended a unified sewage disposal system as a suitable public works project in his report to the state planning commission recently.

Meanwhile the board called for bids for work in the Friendly Acres Drainage District, after approving plans and specifications and calling for protests. No protests were made. Bids will be opened January 4.

Atty. James T. O'Keefe Jr. appeared on behalf of the Menlo Park Sanitary District board to present a petition for the inclusion of Newbridge Park within the district's boundaries. Action on the petition was postponed two weeks.

PURCHASING PLAN PUSHED
The board transferred \$300 from unbudgeted reserve for new forms for the purchasing agent's department, which on January 1 is scheduled to come under the direct supervision of Executive E. A. Rollison. The board also voted \$15 to allow Rollison to purchase a

copy of the political code.

Discussion on two county ordinances, scheduled to headline today's meeting of the board of supervisors, failed to materialize. Supervisor Fred E. Beer announced that threats of a group of 14 San Francisco bakers to take the county's bakery ordinance to court were the result of a misunderstanding.

"It's all been fixed up," he said. "The county inspector got the bakers together and explained the ordinance to them. I don't believe there will be any further complaint."

DELAY MILEAGE ORDINANCE
The proposed county mileage ordinance was presented by Executive E. A. Rollison, but on motion by Beer action was deferred until January 4.

A letter from the county traffic safety commission requested the board to appoint a delegate to its San Mateo County Traffic Safety Council, now being organized.

Former Pescadero Farmer Succumbs

Funeral services were held Monday at 9 o'clock at the Laying & Thiney Funeral Home for Frank Souza, who died late Saturday afternoon at his home at 1260 Woodside road after an illness of several months. He was 70.

Mr. Souza came to Redwood City five months ago from Pescadero, where he was a farmer for many years. He was a native of the Azores Islands, and came to California in 1887.

Surviving him are two daughters, Mrs. Julia Cardozo of Yreka and Rose Souza of San Jose; two sons, Manuel Souza, San Luis Obispo, and Frank Souza, of this city; two grandchildren, Clarence and Vernon Cardozo; two brothers, Manuel Souza, San Jose, and Joseph Souza, the Azores, and two sisters, Mrs. Rose Freitas, Agnew, and Mrs. Mary Santos, the Azores.

Mr. Souza was a member of the Watsonville Lodge of the I.O.E.S. Following the funeral, requiem mass was celebrated at Mt. Carmel Catholic Church at 9:30 a.m., with interment in the Catholic Cemetery at Santa Clara.

PAYS \$15 SPEEDING FINE

Harry N. Hilp, 49, member of the contracting firm of Barret & Hilp, paid \$15 to Judge Edward I. McAuliffe here for speeding. Hilp, who lives in San Francisco, was cited for traveling 70 miles an hour in his large sedan on December 7. Highway Patrolman Elmer Grandy said he chased the car from the underpass to three miles south of the Santa Clara county line.
